

CRYSTAL THERAPY – MASTERY CERTIFICATION

A WORLD EXPEDITION INTO EARTH'S DNA

IN-PERSON – ONLINE OR BOTH FOR A FLEXIBLE SCHEDULE.

The body as a product of nature must be nurtured by the six elements to fully function, aligning and opening the 12 main centers of the body through mineral therapy and energy cleansing remedies of the many solid formations of divine energy known as crystals. Crystal Therapy can be used in the healing processes of the body, mind, emotions and spirit. The methods of application in crystal therapy include various ways to effectively influence the complete energy spectrum of the body with unlimited supply of vibrational components for good health. Learn to develop Crystal therapy programs that compliment every aspect of systems in the body. If you are seeking balance in your health and would like to learn a skill to enrich your current wellness service, we have an easy learning course that indulges the senses sight, sound, taste, touch, smell and spiritual vibrations that are memorable influence for the novice and the professional.
